Where?

SottoCasaNova

Via Ortles Casanova 50/3

18:00 - 21:00

Officine Vispa
Cooperativa sociale · Sozialgenossenschaft

The brand new space SottoCasaNova is open for meeting people, making new friends, and proposing useful and enjoyable ideas for the neighborhood. In the future, cultural events, theater performances, concerts, and parties for children and families will also be organised.

Project presentation

memory passages-- memories from the future

The initiative has gathered the personal archives of the residents of the Ortles/ Casanova neighborhood, documenting 50 years of history in a territory lacking official narratives. An open call to the neighbourhood led us to discover personal images that collectively recall a recent forgotten history.

& Party

The evening is also a party to celebrate the opening of SottoCasaNova space! There will be screenings of the recollected images via video mapping indoors and outdoors.

The evening is followed by a DJ set with Berlin-based DJ Barbara Bo.
